

# “Untitled #4”

By Scott Avett and the Avett Brothers

---

I don't need another collar  
I don't need another hat  
I don't need to leave this small Ftown  
Don't matter where I'm at

5

'Cause I'm happy being me the most  
When I let what makes me happy go  
And I finally learn what I need to know  
I am happier with nothing  
10 I am happier with nothing  
I am happier with nothing

I don't need you to come back to me  
I don't need another memory  
15 I don't need to make the world see that I'm not crazy

I don't need to join in their games  
I don't need to fight, to stake my claim  
I don't need the world to know my name  
20 It never mattered if they did

'Cause I'm happy being me the most  
When I let what makes me happy go  
And I finally learn what I need to know  
25 I'm happier with nothing  
I am happier with nothing  
I am happier with nothing

And I'm always home  
30 And I'm always yours  
I'll be alright with or without  
The things that I've been searching for  
Baby, I'm not searching anymore

I don't need to be told what to do  
I don't need to be assured by you  
I don't need to pay the credit due, naw there is none  
I don't need you to come back  
I don't need another memory  
40 I don't need to make the world see that I'm not crazy

'Cause I'm happy being me the most  
When I let what makes me happy go  
And I finally learn what I need to know

I'm happier with nothing  
I am happier with nothing  
I am happier with nothing
