

A LIFETIME OF ENGAGEMENT  
A LEGACY OF IMPACT

CELEBRATING TWENTY FIVE YEARS

## Impact Dialogue Sessions:

### **Artificial Intelligence: Friend or Foe to Building a Better Future?**

How is A.I. and, more specifically, language models like ChatGPT, transforming the world? How can leaders navigate the AI landscape and ensure that we use AI ethically? How can AI be used to solve existing global problems rather than create new ones?

### **Bohemian Gravity - Interactive Discovery Session**

Bohemian Gravity invites you to embark on an immersive journey of self-discovery. Through an interactive experience, Yemi will guide you on an exploration of the profound connection between personal freedom, dreaming, and creativity.

### **Fighting for Democracy**

From threats to free and fair elections, disinformation campaigns, and authoritarianism, the democratic system – domestically and abroad – is in danger. Join for a discussion on ways individuals and communities can make a difference from grassroots organizing to innovative technological solutions.

### **HCF Venture Fund**

Learn about startups founded by Henry Crown Follows, angel investing and venture capital in a safe place with other HCFs and spouses.

### **How Philanthropy is Evolving - What Will Your Financial Legacy Be?**

The field of philanthropy is evolving with the introduction of impact investing, social entrepreneurship, and collaborative giving, making it more strategic and effective than ever before. Explore these new trends and share insights into how you can leave a lasting legacy, including setting the right examples for your kids and the next generation. How can you measure impact and drive behavior that enables others to do the same?

### **Racial Inequalities & Allyship**

While the social justice movement from the summer of 2020 may have faded for some, resistance to racial injustice and inequity continues. How can we show up for one another? How can we be the catalyst for healing? Join Henry Crown Fellows in this safe space to look inward and discuss how we can be the change.
